Union Academy.
The undersigned is permanently established
as a Teacher of Children and Youth, at Union
Academy, about three and a half miles west of
Fayette. He is a graduate, and has had nearly five
years' experience in teaching; more than three of
which, he has spent in the house which he now
occupies; always giving special attention to the
best means of developing and instructing the
youthful mind.

While this school is designed to furnish a
thorough Classical and Mathematical course of in-
struction, constant effort will be made to impart
a minute and accurate knowledge of the elemen-
tary branches, such as Arithmetic, English, Latin
and Greek Grammars, and other studies prepara-
tory to a liberal course—as experience has proved,
that while pursuing these, the intellectual character
is mainly formed. Every pupil is required to
make a thorough and rigid analysis of each book
as he proceeds; to state in his own words the view
of the subject in hand, that his misapprehensions
may be corrected, and thus to discipline and
strengthen his own mind.

It will be the constant aim of the Instructor to
prepare his pupils for the practical duties of life,
not only by teaching them to think for themselves
on all subjects, but by introducing frequent exer-
cises, drawn from the various business transac-
tions of the world.

Young gentlemen wishing to qualify themselves
for teaching, will receive instruction with special
reference to that object.

The location of this Institution offers peculiar
advantages. Situated in a most healthy neigh-
borhood, removed from the corrupting influences of
town, and village, and surrounded by highly re-
spectable families, with whom board may be ob-
tained, this school must insure the moral, as
well as the intellectual advancement of its pupils.

TERMS.—For the elementary branches: Reading,
Writing, Arithmetic, English Grammar, Geo-
graphy, &c., per session, of five and a half
months, \$5 00
For the higher branches: including Latin,
Greek, French, the various branches of
Mathematics, &c., &c. \$15 00
Boarding, including washing, fuel, and lights,
can be obtained at \$1 25 to \$1 50 per week.
Two or three boarders would be received by the
Teacher. W. M. T. DAVIS.

Medical Notice.

Important and Unequalled Discoveries.
DR. JAMES M. MARTIN'S APPROVED
FAMILY MEDICINES.

UNTIRING RESEARCH, travel and labor,
combined to the advantages afforded by an
extensive and diversified practice have enabled Dr.
J. M. MARTIN to make various highly import-
ant discoveries in the healing art.

In offering his preparations to the human family,
Dr. Martin fearlessly hazards the assertion, that
they are not only unsurpassed, but not equalled,
either for their curative properties, or for mildness,
safety and certainty in their operations, by any
other preparations compounded for similar pur-
poses, now before the public.

Dr. James M. Martin's Invaluable Pills, for the
cure of Fever and Ague and other Fevers, have
not in a single instance failed to accomplish a per-
fect cure when the directions have been strictly
followed. This medicine has in various violent and
desperate cases, effected radical cures, after the pa-
tients had been abandoned and their condition pro-
nounced hopeless, by medical gentlemen of high
professional character.

**DR. MARTIN'S ANTI-BILIOUS VEGETABLE UNIVER-
SAL LIFE PILLS.**—This medicine will certainly
remove all impurities of the blood, and is an ef-
fectual remedy in many of the complaints which
afflict the human system, and for the various pain-
ful and vexatious diseases incident to the female
sex, no preparations now known to the public are
equal to these pills. As a cathartic, they are en-
tirely safe, always efficacious, and operate with un-
usual mildness; they also act as a cosmetic, and
render the complexion clear, rich and fair.

**DR. MARTIN'S ANTI-DYSPEPTIC AND ANTI-CON-
SUMPTIVE PILLS.**—These pills are principally pre-
pared of Indian remedies, and operate almost like
a charm. For dyspepsia, consumption, chronic
cough, pain in the breast, spitting blood and com-
plaints of the bowels, generally, this medicine is a
certain cure when taken according to the accom-
panying directions. For many of the complaints
with which children are afflicted, it is truly effi-
cacious and without a rival.

**DR. MARTIN'S SEVEN FAILING WORM DESTROY-
ING MEDICINE.**—This preparation now ranks among
the most important discoveries of this, or any
other age, for expelling worms. It never fails.—
Parents who are anxious to preserve the lives of
their innocent offspring should always keep the in-
valuable Medicine in their families.

See Dr. James M. Martin's pamphlet, entitled
"The Family Physician." This edition, left
with all agents for gratuitous distribution.

All the above Medicines are to be had
wholesale and retail at the Drug and Book-Store
of Dr. W. M. R. SNELSON, Fayette, and at the
store of GEO. KNOX, Rocheport. Responsible
persons in every neighborhood in the counties of
Boone and Howard, are requested to call and re-
ceive the above medicines on deposit, for the con-
venience of the afflicted in their respective neigh-
borhoods.

A few of the certificates among thousands of
which Dr. Martin is constantly receiving, ex-
pressive of their grateful acknowledgments, will
occasionally be inserted.

CERTIFICATES.

Certificate of Mrs. Nancy Hawkins.
Dr. James M. Martin.—Sir:—A duty which I
owe to the public as well as to myself, impels me
to advise you of the great benefits that have re-
sulted, within my immediate knowledge, from the
use of your Medicines. Those unacquainted with
you, or with your long experience and unsur-
passed skill as a practicing physician, might readily
be inclined to believe, that you are attempting a
base imposition upon the unsuspecting and credu-
lous. But it must be admitted, and the afflicted
who have used your Medicines are certainly under
the conviction, that you have approximated per-
fection in the healing art. I have, myself, admin-
istered your FEVER PILLS, when life was almost
gone, and every hope had been abandoned by gen-
tlemen well skilled in your profession, and I have
never known the medicine to fail. I was present,
myself, in nine cases of obstinate fever, in all of
which your FEVER PILLS were used. The rapid re-
covery of the patients, in every instance, occasioned
surprise and astonishment in those who were
acquainted with their condition. I have also
used your UNIVERSAL LIFE PILLS, and frequently
administered them to others, and am persuaded that
as a universal medicine, they are unequalled. In
fact, suffering humanity is largely indebted to you,
and at no very remote period, the many blessings
you have been instrumental in imparting to the
afflicted, will meet with the grateful acknowl-
edgments of a grateful people.

NANCY HAWKINS.
St. Louis County, Mo., April, 1843.

Certificate of Mrs. Margaret Main.
Mrs. MAIN has received from the University of
Edinburgh a diploma, as an *Accouchement*, and
her services in that capacity, as also in that
of nurse or doctor, are held in great requisition.

I have accurately observed the operation of Dr.
James M. Martin's medicines, and take great
pleasure in recommending them to all mothers and
heads of families, as being superior to any which
I have met during a long practical experience,
both in Europe and in this country, among females
and children.

MARGARET MAIN.
Jefferson City, Jan. 3, 1842.

St. Louis, Mo., June 7th, 1843.
Dr. James M. Martin: SIR:—I deem it a duty
which I owe to you as well as to the thousands and
tens of thousands of the sufferers of the human race,
to bear testimony, and to put that testimony upon
record, of the great and unequalled blessings that
have been imparted to others, by the use of your
ANTI-BILIOUS UNIVERSAL LIFE PILLS. I have known
them to relieve suppression of the Menses of one
or two years standing, after repeated efforts of the
most eminent and skillful of your profession had
failed to produce any favorable result, and the
sufferer rapidly hastening to an untimely grave,
while yet in the bloom of youth. After the use of
two boxes of your Life Pills, every thing was
restored to its proper organization—Health, Beauty,
the Physical Powers, and the Life of the female.
As a mother who has seen much and many afflic-
tions incident to her sex, I cannot too strongly
recommend your medicines to all mothers and
heads of families, believing, as I do, that they
are among the greatest earthly blessings we pos-
sess, and knowing, from experience, that they are
universal in their application. And let me assure
you, that it is my sincere wish, that the piver
of all good gifts, may, when your cup shall be full,
recompense you for the manifold blessings you have
been instrumental in conferring upon suffering
humanity.

Great Change in Glasgow.

EVERY body is talking about the great change
in Glasgow since Carroll has put up that
large fine store in the upper end of town. The
way them old shanties are rattling, down below,
is a caution; some of 'em are trying to sell out at
cost; others are trying to raffle off their old rub-
bage, but Carroll is under them all at least 25 per
cent at last.
Glasgow, January 31st, 1846.

What a nice quiet place this is.

WE can ride up here and hitch our horses, so
much room, and it's so quiet, you have none
of them old credit stores watching you all the time
you are dealing, and as soon as you go out have
one at your elbow saying: come give me your note
for your last year's account; and then such a yell
from one of them Dogery's that would make a lady
faint and fall back. [Glasgow, January 31st, '46.]

John Ward, William New-
bury, James S. Rollins, de'ts.

NOW at this day comes the complainant, by
his Solicitor, and filed his bill in Chancery
against the defendants, and also an affidavit of
Sinclair Kirtley, stating that from the best infor-
mation and belief of said affiant, John Ward and
William Newbury, two of the defendants to said
bill, are not residents of this State. It is, there-
fore, ordered by the Clerk of our said Boone Cir-
cuit Court, in vacation, that the said John Ward
and William Newbury be notified that a bill in
Chancery has been filed by said complainant
against them and James S. Rollins, in the office of
said Clerk, stating that on the 7th day of April,
1841, said Ward being the owner of certain lots
in the town of Rocheport, in said County, sold
the same to said Newbury, and took his three
promissory bonds for the purchase money of said
lots, payable thereafter, without any collateral
security; that afterwards said Ward assigned one
of said bonds to complainant, for a full consid-
eration, which remains due and unpaid by said New-
bury, and that afterwards James S. Rollins became
the purchaser of a number of said lots, at a sale
for the taxes thereon charged to be remaining
due and unpaid to the State of Missouri; and said
complainant, in his said bill, prays that he may,
by substitution of himself, for said Ward, have
said lots subjected to the payment of the purchase
money, and the same, or so many of them as may
be necessary, sold to satisfy the same. You, the
said John Ward and William Newbury, are there-
fore hereby notified, that unless you be and ap-

Monday in said month and answer the complain-
ant's bill, the same will be taken for confessed
against you and the matters and things therein
prayed for will be decreed against you. It is
further ordered by said Clerk, that this order be
published in some newspaper, printed in this State,
for eight weeks successively, the last insertion
to be at least four weeks before the commencement
of said August Term of our said Court.
